

HOW CAN YOU HELP SUPPORT CASTLETOWN METROPOLITAN SILVER BAND?

The band is a charitable organisation, which exists simply for the enjoyment of the playing members and the public alike. It is funded by means of donations and fees collected for engagements completed at locations all over the Isle of Man.

The cost of maintaining the band, its bandroom, instruments and music library is constantly increasing.

Three years ago the 'Supporters Club' was established. The purpose of the Club is to raise funds for the band on an annual basis, and an appeal is usually made to existing members to renew their membership at the time of our annual Subscription Concert.

How do you join the Supporters Club?

It's simple – print this form, complete the bottom half and send it with a minimum subscription of £5.00 to the Band Secretary.

What do you get from the band for becoming a member of the Supporters Club?

As a supporter you will receive at least three mailings each year, informing you of the band's news and engagements. The subscription helps to pay for the administrative costs (postage, photocopying etc) involved in sending out the information.
